## THE TILES

The tiles come in a range of four colours. Simply select one colour or mix and match to suit your needs. The tile itself is 2m x 1m in size and is lightweight. It is extremely resilient against heavy weights and easy to maintain. With a Polyolefin backing, EziTile insulates against heat and cold and offers great acoustic comfort.

## THE TROLLEY

EziTile comes on custom made trolleys designed to hold 200m<sup>2</sup> of tiles and can carry 1.5tonne in weight. A great storage option, their heavy-duty castors make maneuvering the tiles easy and protects the tiles when they are not in use.

The trolleys are branded with your logo for excellent brand recognition.
